DATE: June 2026

VERSION / STATUS: v1.0.0 / Final Approved

1. Customer Empathy Mapping (Persona: Rahul)

Understanding the mindset of a typical domestic Indian online shopper helps focus UX developments:

Dimension	Customer Persona (Rahul) Observations
SAYS	"I want to buy accessories in Indian Rupees and check out instantly without typing card details."
THINKS	"Is this site secure? Are these discount coupon percentages calculated automatically? Is COD available?"
DOES	Enters coupon codes, filters by category chips, loads up wallet balance, views order delivery estimates
FEELS	Excited by the autocompletion suggestions, reassured by the transparent timeline status tracking.
